GRAND MASTER'S QUEENSLAND FLOOD RELIEF APPEAL

Dear Brother/ Friend of Freemasonry

As you would appreciate, Freemasonry is not an emergency relief organisation ready to swing into action in response to disaster situations whenever, or wherever they might arise. There are other agencies more admirably equipped for that function.

However, in view of the greatest natural disaster Australia has yet experienced with the recent floods in Queensland which is of epic proportions, we are moved to launch a special Appeal through the Freemasons Foundation to raise funds to assist victims of the flood and reconstruction projects in partnership with the Grand Lodge of Queensland.

We are sure the other Grand Masters share our concern and will no doubt be launching their own appeals in due course for their members.

This is only the fourth Appeal this jurisdiction has run. The first was the Katherine Flood Relief Appeal in 1998, followed by the Tsunami Appeal in 2004 and the Bushfire Relief Appeal for the victims of the Eyre Peninsula bushfires in 2005.

We now call upon your spirit of generosity, as well as every Lodge to support this special appeal.

If each person makes a minimum donation of just \$20, then, as Freemasons, we will be able to make a very real difference and a contribution in our own right.

Please find attached a donation form and a reply paid envelope.

All donations are tax deductible.

Yours sincerely,

Ray Clark
Grand Master
